Professional Summary

Computer Science graduate with hands-on experience developing full-stack web applications using ASP.NET Core Web API, C#, React.js, Entity Framework Core, and MySQL. Skilled in REST API development, JWT authentication, database integration, and cloud deployment. Passionate about building scalable, secure applications and seeking a .NET Full Stack Developer role.

Education

Koneru Lakshmaiah Education Foundation, Guntur	2022 – 2026
B.Tech in Computer Science and Engineering	CGPA: 8.94
Sasi Junior College	2020 – 2022
Board of Intermediate Education	CGPA: 9.53
Sasi English Medium High School	2019 – 2020
Board of Secondary Education	CGPA: 9.70

Project

Employee Management System (Full Stack)

GitHub: [EmployeeManagementSystem](#)

Live: [employee-management-system-ecru-eta.vercel.app](#)

- Developed a full-stack Employee Management System using ASP.NET Core Web API, React.js, Entity Framework Core, and MySQL following a layered architecture.
- Implemented JWT authentication and role-based authorization for Admin and Employee modules.
- Developed Employee CRUD operations, attendance tracking, leave management, password reset workflow, profile management, and search functionality.
- Built an Admin Dashboard with employee statistics, attendance monitoring, leave management, and user administration features.
- Generated Excel and PDF reports for employee records using server-side export functionality.
- Integrated TiDB Cloud MySQL database with Entity Framework Core for efficient data persistence.
- Deployed the frontend on Vercel and backend on Render with cloud-hosted database connectivity.
- **Tech Stack:** ASP.NET Core Web API, C#, React.js, Entity Framework Core, MySQL, TiDB Cloud, JWT Authentication, Render, Vercel.

Technical Skills

- **Programming Languages:** C#, Java, SQL
- **Frontend:** React.js, HTML5, CSS3, JavaScript, Bootstrap
- **Backend:** ASP.NET Core Web API, Entity Framework Core, LINQ, REST APIs
- **Database:** MySQL, TiDB Cloud
- **Tools:** Visual Studio, VS Code, Git, GitHub, Postman
- **Deployment:** Render, Vercel

Certifications

- AWS Certified Cloud Practitioner
- Salesforce AI Associate
